Please sign and date below that you have read and understood the following boarding guidelines.

- Should a pet become ill during their stay, we will make every responsible effort to contact you to advise you of the situation. Until that time, Wayne Veterinary Hospital will be authorized to give the necessary care or treatment for the pet at the owner's expense.
- All pets must be free of all internal and external parasites. Any pets found to have fleas, ticks or intestinal parasites will be treated immediately at the owner's expense.
- All pets must be up to date on required vaccines. If pet's vaccines cannot be verified they will be given upon admittance for boarding. The front desk staff can answer any questions regarding required vaccines.
- If you have more than one pet boarding together we will make every effort to allow them to remain together. If at any time we need to separate them for the health of either animal or the safety of our staff you will be charged separate boarding fees.
